

LANCAIR offers FOR SALE

2019 Lancair Barracuda SN NLA-275-1002-SW-RN • N380L

With a near-perfect blend of performance, comfort and ramp appeal, this Lancair Barracuda is the ultimate personal travel machine for two, combining unbeatable speed and comfort with an unmatched level of flexibility and economy.

Establishing a new standard for value, the Barracuda offers high performance, operational economy and Lancair's trademark aerodynamic style in a sleek, cost-effective package for two.

N380L was completed in 2019 at Lancair's factory build center, ensuring a precision crafted aircraft with ample safety margins and predictable operating characteristics. You'll easily cruise at over 230 mph with the efficient 6-cylinder Continental engine, offering comfort and range to spare.
